1. [REDACTED] Called Jim McConkie, Administrative Assistant to Representative K. Gunn McKay (D., Utah), regarding the 60 or so University of Utah students now interning in various agencies and the Congress in Washington interested in a briefing on the Agency. I told McConkie that we would arrange for a briefing at Agency headquarters on 16 May and it would run from about 2 to 4 o'clock. McConkie indicated that they would come by individual cars and to facilitate delay into our secure area, I requested that we be supplied with names and car tags and that particularly the name of the individual in the group who will be responsible for the group. McConkie had no problem with any of these requirements and indicated that the focal point of the responsibility will be Professors Ray Hillam or Keith Melvill and that either they or he would be back in touch with me on the arrangements and the understandings covered in the briefing. [REDACTED] OTR, will provide the briefing and either Mr. Cary or myself will be in attendance to handle any questions about the Congress.
